## PROFESSIONAL EDUCATION PROGRAMME (PEP)/ DACT PEP SESSIONS

Under the PEP (Permanent Education Programme) umbrella, DACT regularly offers educational activities on traditional and new treasury topics. DACT does not have sufficient manpower to develop and execute the entire curriculum alone. PEPs are therefore conducted in collaboration with DACT partners or other liaising parties.

## DACT MENTOR PROGRAMME

### 'EXPERIENCED MEMBERS COACH YOUNGER PROFESSIONALS'

In 2020, research by the DACT Mentoring Committee showed that DACT members need support at the start of a treasury career. It also showed that more experienced DACT members are highly motivated to take on the mentor role. DACT has a mentor catalogue with nearly 50 treasury professionals with a wide variety of functions, experience, skills and fields of work.
