

The DACT Board is looking for a new Board Member.

DACT Board Member vacancy

DACT is a fast-growing Association with more than 800 members. Our motto is 'for and by treasurers'. The Board has a strategic and policy-making role. As a Board member you normally take office for three years and are electable once again. The Board meets about 5 times a year. Meetings take place face-to-face or by conference calls. The Board is appointed by the Annual General Meeting.

DACT has an Advisory Council which plays a sounding-board role, with joint meetings being held at least twice a year. As a Board member, you are involved in day-to-day activities as well as being an active member of a committee and/or working groups (see our [organizational chart](#) for DACT committees and working groups).

DACT is an inclusive organisation, providing room for everyone to collaborate in building a strong Association - 'Talent as the basis, diversity as a strength'. Alongside your qualities, talent and motivation, your age, orientation or background are an added value for the association. Special attention is paid to the leadership qualities of each candidate. As far as possible, the composition of the board aims to reflect diversity in areas such as professional background, gender representation, and age range.

You are very welcome; as prerequisite for the application you:

- are a member of the Association;
- are able to think strategically and see the bigger picture;
- enjoy contributing ideas on the development, activities, and DACT's role and to play an active role in the implementation;
- are employed in a treasury function (but not by a supplier focused on the treasury sector);
- have a minimum of 3 years' experience in Corporate Finance, Treasury Operations or Financial Risk Management (see also the [Role of the Treasurer](#));
- are interested in keeping abreast of all developments in the treasury field and have an affinity with general Association topics;
- are able and willing to dedicate time to participate in the most important of the Association's activities such as the Annual General Meeting, the Treasury Fair, DACT Academy, the Summer Conference and the Advisory Board meetings.

Would you like to receive more information or are you available for this position? Send an e-mail to Milena Babovic (management@dact.nl).

You can send your motivation letter and CV until May 15th 2025.
